

Course Structure: T2 2025 to T2 2026

To qualify for the award, students are required to successfully complete the five (5) core units listed below (equivalent to a total of 96 credit points).

RES824 is co-requisite to RES921

Unit Code and Title	Credit Points*	Trimester^
RES821 Understanding Research	6	1 st Trimester
RES822 Quantitative Research Methods	6	1 st Trimester
RES823 Qualitative Research Methods	6	1 st Trimester
RES824 Designing and Communicating Research	6	2 nd Trimester
RES921 Research Project	72	2 nd Trimester

*A unit worth 6 credit points is equal to 0.125 Equivalent Full-Time Student Load (EFTSL).

^In the first trimester, students are required to complete three units: RES821, RES822, and RES823. In the second trimester, students will take RES824 and RES921.
